Cub Scouts Hold First Season Meet

The Club Scout den of Mrs. Jimmy Tyson and Mrs. Bill Moss, den mothers, held its first meeting of the season in the city park. Plans were made to work on a citizenship scrapbook in keeping with the citizenship theme for the month. Woodie Salvatore was welcomed as a new member. Others in the den are Bill Howard, Dick Hurt, Bill Moss, Jr., Dick Tyson, Mike Elliott, David Caraway and Danny Denton. Refreshments were served by Danny Denton.

Farm Bureau Group Meets Canal Point

The fall meeting of the South Florida Farm Bureau District was held at the Community Building in the Glades Park, Canal Point, Thursday of last week for the purpose of discussing such moot issues as federal aid to education, the federal farm program, labor problems, taxes and other subjects of interest to farmers.

Out-of-town Farm Bureau officials attending were Ed Finlayson, State president; Tom McClane, executive vice president; Lewis Havard, director of organization; Wayne Mixson, commodity specialist; Mrs. George Munroe, State Chairman of ladies activities department; Charles R. Collins and Bob Williams, district field man.

Representatives attending included those from Farm Bureau units in Indian River, St. Lucie, Martin, Palm Beach, Broward, Dade, Collier, Hendry, Glades and Okeechobee Counties.

Lunch was served at noon. Host at the meeting was the Everglades Farm Bureau, which, since the establishment of a fulltime office and field man in the Glades area, has made a phenomenal growth, the membership rising from 193 on April 1, 1959, when the Everglades Farm Bureau office was opened at Belle Glade, to the present 433 members. Walter Kautz of Canal Point is president.

Last Rites Held For S. O. Jones, 59

Solomon Odell Jones, 59, died unexpectedly from a heart attack at his home in Canal Point around 11 o'clock Friday night while sleeping.

A veteran of World War II, he had been a resident of Canal Point for 12 years, coming here from Cairo, Ga. For the past several years he had operated a barber shop at the south end of Canal Point, across the street from the Crown Ice Company plant. He was a member of the Masonic Lodge and a Shriner.

He is survived by four sisters: Mrs. Mamie Pugh of Canal Point, Mrs. Peral Van Landingham of Cairo, Ga., Mrs. Bill McGraw of Moultrie, Ga., and Mrs. Bertha Eitan of Dallas, Texas.

Funeral services were held at the Canal Point Baptist Church Monday at 2 p. m., with the Rev. Charles D. Stewart officiating. Burial was at Hillcrest Memorial Park, West Palm Beach.

Pahokee PTA Held First Meet Of Year

The Pahokee Parent-Teacher Association held its first meeting of the new school year in the school auditorium Monday night with President W. O. Moss presiding.

Principal Brooks Henderson introduced members of the high school faculty, including three new teachers: Edward R. Popper, industrial arts instructor; Ora Smith, mathematics and languages; and Fred Smith, mathematics and science. The elementary school faculty was introduced by Principal Herman Austin, new members being Mrs. Evelyn Stolpa, sixth grade teacher, and Mrs. Ruth Ann Zimmerman, school secretary.

The attendance awards for the month were won by Mrs. Reba Golden's second grade room at the elementary school and the eleventh grade at the high school.

Girl Scout Troop 164 directed the flag ceremony at the opening. The Rev. James E. Boyd, who recently resigned as pastor of the Pahokee First Baptist Church, effective Sept. 30, to accept a call at the new Forest Hill Baptist Church, West Palm Beach, gave the invocation and devotions.

Members of the executive board were hosts at the reception for the teachers in the school cafeteria following the meeting.

Evening Classes At Belle Glade Hi

The Palm Beach County Vocational School, in cooperation with Pella Morris, Principal of Belle Glade High School, is planning to offer evening instruction in Beginning Typing; Beginning Bookkeeping; and Beginning Shorthand, according to Kenneth F. Johnston, Director of Vocational Education for the county.

An organizational meeting will be held at Belle Glade High School at 7:30 Wednesday evening, September 21. All registrations will be taken and class schedules will be established at this meeting.

These classes will meet two nights a week from 7:30 to 10:00. The evenings will be established at the organizational meeting. There is no tuition fee; however, there is a small registration fee and students must furnish their own supplies.

This instruction is part of the School Board's Vocational Education Program and is for adults 16 years of age or over who are not regularly enrolled in high school. The classes are tentative to a minimum enrollment of fifteen persons.

Persons interested in this instruction are requested to register at the Belle Glade High School at 7:30 Wednesday evening, September 21.

Brownie Troop Is Organized Pahokee

The organization of a new Brownie troop composed of girls of the second grade at the elementary school was planned for the near future at the meeting of the Girl Scout Cypress Neighborhood Association at the home of the chairman, Mrs. William S. Plumer. Scout leaders reported the various Girl Scout and Brownie Troops, whose activities were suspended through the summer, are all being re-activated this month.

Hurricane Treats County Real Nice

Hurricane Donna came in for its share of attention at the County Commission meeting this week.

The board voted to extend their appreciation to the Weather Bureau, the Civil Defense and the hundreds of volunteers who manned the Red Cross shelters which housed some 4,000 residents during the storm.

At the request of Commissioner Roy Michael, Jr., the board gave Michael and a member of the zoning department, to make a tour of Palm Beach County to determine if there appears to be any failures in buildings or other construction projects which could be improved by changes in the county's building codes.

The commission heard a report from County Engineer Steve Middleton that with few minor exceptions all county roads and bridges and county buildings came through the storm in top shape.

Ellis Altman, head of the county Civil Defense organization said his group participated in a 48 hour alert in 22 communities and carried out their assignments with top efficiency.

Altman told the commission, that under a new law, civil defense authorities have the right to close all bridges over navigable streams during an emergency, holding up boat traffic and allowing pedestrians and motor vehicles to have the right of way.

Commission Chairman Paul Rardin pondered one letter in his meeting file—it was an invitation from a Sarasota County commissioner to attend a meeting at Naples last Saturday—the day Donna passed through that city. He decided the meeting was cancelled and instructed that the letter be filed for future reference.

Father Of Pahokee Attorney Passes

Hilton Whidden, 87, father of Pahokee Attorney Thadd Whidden, passed away at Wauchula on August 31 after a lingering illness. Mr. Whidden was born and reared in the county in which he died. Funeral services were held in Wauchula and burial was made there.

The deceased is survived by one son, Mr. Whidden in Pahokee, another son, Griffin Whidden in Wauchula and one daughter, Mrs. Avis Sasser in Wauchula. He was a farmer and grove owner in the Wauchula community.

More Info Points To New Sugar Mill

A special report out of Clewiston by Dew Jones will be of interest to citizens of the Lake Okechobee Farming Region where the United States Sugar Corporation may build another sugar mill to be located at Canal Point. The special report follows:

United States Sugar Corp., viewing increases in domestic sugar cane quotas because of the trouble in Cuba, is "considering the possibility" of building an additional grinding mill in Florida, Harry T. Vaughn, president, told Dew Jones. The company grows and grinds sugar cane in South Florida. As previously announced, U. S. Sugar also is discussing with Savannah Sugar Refining Corp. the possibility of erecting a jointly owned refinery in Florida. Savannah Sugar buys U. S. Sugar Corp.'s raw sugar production for refining and marketing under the brand of "Dixie Crystals".

Vaughn said no details of the two proposed projects are available. A final decision on the sugar refinery is "at least three months away" and it would take another year to build it, he added.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission learned this week that facilities it has authorized for care of mental patients awaiting transfer to state hospitals have answered a dire need in the county.

In a letter from Dr. W. E. Vanlandingham, retiring director of the county's welfare department, the commission was told that since June 15 it has not been necessary to keep women with mental illness in the county jail and that male cases have only been briefly retained for processing.

Similar facilities as those now in use at the county hospital, are being readied for negro patients with mental illness.

In other actions this week the commission:

Deferred action on a request for a 30 year franchise made by the Lake Osborne Utilities company.

Heard that Minneapolis Honeywell will move into its new plant at Lewis Terminals this month.

Heard that the State Road Department has already started clearing land for construction of an office in Palm Beach County for a resident engineer and other state road department employees.

Accepted with regret, the resignation of Mrs. Winifred Wieland, nurse in the county welfare department who is leaving the county after 12 years of service.

Agreed to share with the Broward County Commission, cost of a

bridge over the Hillsboro Canal connecting the two counties.

Adopted an amendment to the county building code, setting specification for construction of screen porches on mobile homes.

The Palm Beach County Commission this week got a liberal education of what it takes to equip a modern health department installation.

They listened for more than an hour to price quotations read by the county engineer for scores of items needed to furnish and equip the new county health center now nearing completion on Everniss St. in West Palm Beach.

Items and furnishings ranged from examination tables, X-ray machines, photostate equipment, office equipment to four-legged stools. It was one of the most detailed and lengthy bid opening sessions which the commission has had in years.

In addition to the health department equipment, the commission received bids on a truck for the airport, files for the circuit clerks office, metal culvert, micro film jackets, timbers and piling and resurfacing sections of Lucerne Ave in Lake Worth and a county road in Lantana and Manalapan.

The board adjourned its meeting until Sept. 19 when it will meet again to accept bids for paving a section of parking area at International Airport.

Chamber of Commerce, chairman of the St. Petersburg United Fund Campaign for 1960 and is Florida West Coast Chairman of the Crusade for Freedom," said Cox.

Sheriff Auxiliary Attended By Many

Those from the Glades area who attended the newly organized Palm Beach County Sheriffs' Wives Auxiliary, meeting at the George Washington Hotel, West Palm Beach, Monday night were Mrs. Lee Wroten, Mrs. Thomas Elliott and Mrs. Charlene Schulz, all of Pahokee; Mrs. Robert Griffin, Belle Glade, and Mrs. Frank Prevatt, Beach City. Sheriff John Kirk installed the newly elected officers of the auxiliary and was guest speaker. It was decided to hold the next meeting on Oct. 10 in the Glades, the meeting place to be announced later.

PATIENTS AT HOSPITAL

Among the patients at the Everglades Memorial Hospital Wednesday were Earl Brantley, Antonio Torres, John Zimmerman, Mrs. Ruth Powell, Donna Dasher, Sue Dean, Mrs. Mamie Prince, Mrs. Dorothy Garner and Ellis Walston.

Job Insurance Pay At New Record High

TALLAHASSEE—Job insurance payments reached a record high in August, totaling \$3,955,639, reports Industrial Commission Chairman James T. Vocelle.

Vocelle said the payments to eligible insured workers who were unemployed through no fault of their own exceeded the previous high of \$3,214,298 paid in July, 1958, during Florida's last recession period.

Part of the new record total is due to an increase in benefits by 1959 Legislative action. The weekly maximum was raised to \$33 from \$30 and the duration of payments was increased to a maximum of 26 weeks from 16. However, the Legislature also made it harder to qualify by increasing the earnings a worker must have been paid in covered employment during his "base period" year.

Vocelle said that the increased weekly benefits payable caused "only a portion of the record payments. The record amount was due

to a greater increase in unemployment than seasonally anticipated."

Vocelle said that while an economic slowdown is a condition, "it is more pronounced here than elsewhere because of our great vulnerability to a construction industry slowdown, which has been the main factor." He said that effect of the Cuban situation on Florida, a slowdown of more than seasonal proportions in manufacturing, and various local conditions over the State were other factors which together gave Florida's summer slump "more of a letdown than is usual."

Twenty-nine Florida State Employment offices reported increased totals in unemployment compensation insurance payments for their areas, and only three reported decreases. Those three were Lake City, down \$2,817 to \$10,824; Key West, down \$596 to \$16,311; and Jacksonville, down \$129 to \$211,309.

The increases were: Winter Haven, up \$157,004 to \$389,861; Miami, up \$84,762 to \$820,655; Lakeland, up \$70,076 to \$171,450; Winter Park, up \$60,000 to \$194,919; Tampa, up \$54,321 to \$419,382; Ft. Pierce, up \$33,598 to \$96,972; Lees-

burg, up \$29,850 to \$79,018; West Palm Beach, up \$26,498 to \$175,229; Ft. Lauderdale, up \$18,925 to \$117,129; Clearwater, up \$16,963 to \$66,449; Pensacola, up \$13,837 to \$83,643; St. Petersburg, up \$12,826 to \$130,660; Sanford, up \$12,050 to \$25,241; Ocala, up \$11,731 to \$34,144; Cocoa, up \$11,545 to \$53,424; Marianna, up \$11,501 to \$48,071; Panama City, up \$10,071 to \$62,252; Tallahassee, up \$9,798 to \$30,084; Hollywood, up \$8,939 to \$127,155; Ft. Myers, up \$7,164 to \$34,510; Daytona Beach, up \$6,842 to \$51,639; Ft. Walton Beach, up \$5,979 to \$26,972; Gainesville, up \$5,704 to \$21,018; Sarasota, up \$5,665 to \$26,044; Belle Glade, up \$4,571 to \$30,270; Melbourne, up \$4,121 to \$19,845; Perry, up \$1,685 to \$9,468; Bradenton, up \$1,344 to \$34,683; and Palatka, up \$1,048 to \$20,521.

Vegetable Group Will Be Entertained

The Houston Corporation, with Board Chairman and Mrs. F. E. Stanley, St. Petersburg, acting as hosts, will sponsor the Welcoming Luncheon at the 17th Annual Convention of the Florida Fruit & Vegetable Association at Hotel Fontainebleau, Miami Beach, on September 27, according to J. Abney Cox, Princeton, Convention Chairman.

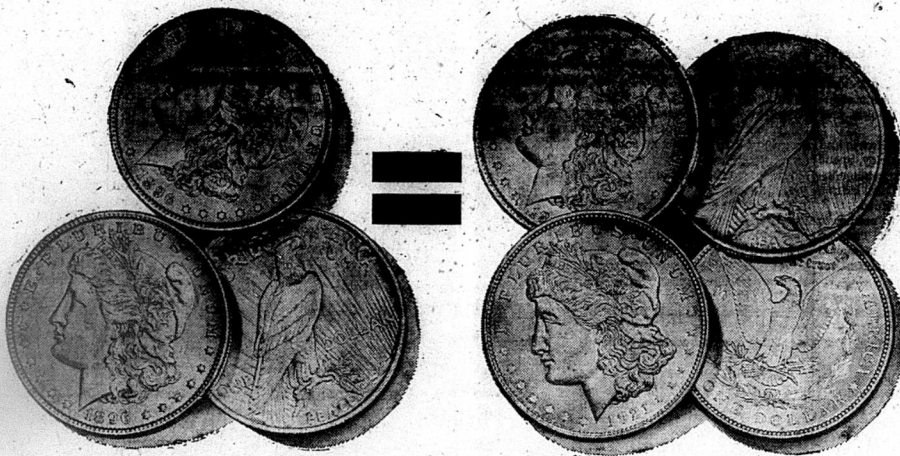

"We consider this gracious gesture on the part of The Houston Corporation as genuine evidence of cooperation in industry," said Cox.

"Mr. Stanley's civic participation has earned him many honors. In recognition of his active participation in civic activities and professional and honorary societies in Oklahoma, the Tulsa Chamber of Commerce named Mr. Stanley as Tulsa's 'Man of the Year' for 1950.

"Mr. Stanley has also been prominent in 4-H and Future Farmers of America activities in Oklahoma, and both of these agricultural organizations have awarded him lifetime memberships in recognition of his extensive participation in their programs.

"Since coming to Florida and establishing his residence here, Mr. Stanley has been named Director at Large to the Florida State

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

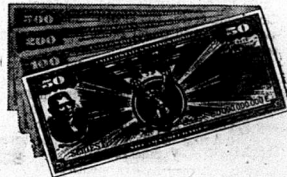

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Hill was also admitted to the hospital, suffering severe lacerations of the head in the accident. Trooper R. L. Wetherington, who investigated, stated that Hill, walking along the side of the road, stepped suddenly and unexpectedly on to the pavement and there was no way Sappington could have avoided hitting him.

West Coast Route Vital to Air Lines

MIAMI—Delta Air Lines insists its future as a major air line hinges on approval by the Civil Aeronautics Board of a route to the U. S. West Coast previously recommended by a hearing examiner.

Delta was one of nine major airlines which filed briefs in the case. The CAB has scheduled an oral hearing, the last administrative step before final decision, for the applicants on Sept. 26.

Win or lose, this case will decide Delta's destiny in the air transportation industry, either as a continuing major line or as a carrier moving into the field of merger which now faces Northeast and Capital. A Delta official said recently.

New Trend Shown In Real Estate Sales

TAMPA—A new method of buying and selling homes was recently introduced in Florida which shows promise of developing a completely new trend in the real estate field.

Named Self Service Realty, Inc., experts in the field call it the most economical and effective realty service available to both buyer and seller. The plan is in full operation in Tampa and will soon be available in additional sections of the state.

Operation of Self Service Realty is simple: Those interested in purchasing property need only describe their requirements. A file of homes for sale is examined and the prospective buyer is presented with descriptions of homes that would be of interest. The buyer then inspects all the homes on his list at his convenience, contacts the seller of the property he likes best. Then, the two come to terms without benefit of salesman or expense of commission.

The seller, in turn, lists his property with full description of the features of the home. His description is then given to those prospective buyers only who are interested in the features listed in the file.

Only suggestion Self Service Realty makes is that buyer and seller secure legal aid to produce a binding contract.

"Self Service Realty presents the first opportunity to the prospective buyer to shop for a home in the same manner as he shops for groceries in a supermarket," says Ernest Garrison, president of the firm. "The response has been amazing."

The Florida Development Commission is publishing its quarterly "Florida Events" booklet which lists special events throughout the state. The booklet will be distributed to thousands of tourists.

Honest, Efficient, Courteous Service

Pick your savings target and shoot straight for it!

A home ... financial security ... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (5 years and 6 months)—they're even worth much more than you've invested in them. And your Bonds will continue to grow after you've stopped saving as long as 15 years and 4 months. That means a bonus of up to 66% more than you originally paid.

And remember this. There's no payment or change about the Payroll Savings Plan. It's automatically set up for you. Invest just \$7.20 a week for 4 years and your Savings Bonds worth \$2,000 in only 15 years, 4 months.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or bank in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Christian Science Group Of Canal Point

How freedom from the bondage of sickness and sin can be gained through wholly spiritual means will be emphasized at Christian Science churches Sunday.
Readings from the Bible in the Lesson-Sermon entitled "Matter" will include Luke's account of the healing by Christ Jesus of the woman "which had a spirit of infirmity eighteen years" (Ch. 13).

One of the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (228-20): "If we follow the command of our Master, 'We shall never depend on bodily conditions, structure, or economy, but we shall be masters of the body, dictate its terms, and form and control it with Truth.'"
The Golden Text is from John (6:63): "It is the Spirit that quickeneth; the flesh profiteth nothing."

Mr. and Mrs. James Bailey (Sylvia Jones) of Vero Beach announce the birth of a daughter, Rhonda Sue, at the Everglades Memorial Hospital, Sept. 8.

Magazine Goes To Pahokee Hospital

Members of the Canal Point Methodist Woman's Society of Christian Service at the September meeting at the church voted to donate copies of the inspirational magazine, "Upper Room," to the Everglades Memorial Hospital. Mrs. H. Sears was named chairman of a home mission project, visitations to local shut-ins and the sick. It was announced Mrs. W. E. Blackwell, president, Mrs. E. Maxson and Mrs. Pope Sears represented the local WSCS at the first session of the WSCS Fall Seminar in Fort Pierce.

The program, "Chant and Compass," was presented by Mrs. L. L. Maxson, program chairman, assisted by Mrs. Walter Kautz, Mrs. H. Sears and Mrs. Earl Maxson. Mrs. James Miller furnished the musical accomplishment of the skit, "Younger, New and Older Members."

Mrs. L. L. Maxson distributed program books for the year, the theme being "The Word in Our Midst." Mrs. Pope Sears was hostess during the serving of refreshments.

Turnpike Plans Up To Bryant

TALLAHASSEE — The Collins administration has placed the future of the extension of the Sunshine State Parkway to Orlando in the hands of Gov. Nominee Farris Bryant.

Turnpike Authority Chairman Thomas Manuel told Bryant that it was up to the new governor to finance and build the extension. Bryant replied that he was committed to build the turnpike from its present north end, Fort Pierce, to Orlando at the earliest feasible time.

Bue he cautioned that before he could make any commitments, he would have to be filled in on the status of Florida's interstate road-building program, including the amount of federal funds the state will get in the future.
Road Board Chairman William Killion assured Bryant he would have the figures promptly.

Frozen Concentrate Deal To Be Tripled

PLANT CITY — An expansion program of a Florida frozen concentrate plant which will triple capacity has been announced.

The Horsey Division of Salada-Shriff-Horsey Company anticipates doubling their purchases of oranges and grapefruit to meet the expanded production.
George Janner, vice-president and general manager of the plant, reported that the new facilities will include equipment for production of an additional 2,200,000 gallons of "high density" frozen citrus concentrate, doubled warehouse space, enlarged freezing tunnels, loading dock lines and can lines. Since 90 per cent of the company's fruit needs are purchased locally the new equipment will be especially helpful to growers. The company markets Sun Pep, Florida Sip and Horsey brands, and produces lithographed cans with customer labels.

Phone Equipment Is Back In Service

Telephone equipment damaged by the recent Hurricane Donna, is back in service, it was announced today by Bob Lee, Manager of the Southern Bell Telephone Company.

Approximately 200 telephones were out of service as a result of the storm.
The communities of Belle Glade, Pahokee, Canal Point, and South Bay, in which most of the telephone damage occurred, have had their service restored, Mr. Lee reported.

Temporary restoration was accomplished in only a few hours through the help of additional telephone personnel from Southern Bell plants in West Palm Beach.

Telephone operators who worked throughout the storm and repair crews were commended for their fine efforts in rendering service to our community.

A statewide report of telephone damage revealed 107,833 telephones out of service or 7.2 per cent of the total telephones served by Southern Bell. All telephone service in the state will be restored by Wednesday night, according to C. J. Yates, Vice President-General Manager of the company. This does not include the Florida Keys which represents 3,600 telephones.

Mr. and Mrs. O. M. Murphy and children, former Pahokee residents now living at Indiantown, were guests here Sunday of his brother and sister-in-law, Mr. and Mrs. Ellis Murphy, and uncle and aunt, Mr. and Mrs. R. J. Schroder. They were accompanied by her mother, Mrs. L. Schwitzer, of New Jersey, who plans to make her home in Lake Worth.

Miss Sheppard Wed Friday Evening

Miss Helen Amelia Sheppard, daughter of Mr. and Mrs. Oliver H. Sheppard of Canal Point, became the bride of Edwin L. DeLeon of Tallahassee Friday evening, Sept. 9, at the Canal Point Methodist Church. Officiating at ceremony before an altar banked with gladioli, pompons and palms and lighted with four candlelabra was the Rev. Robert A. Shelley, pastor.

Mr. DeLeon is the son of Mr. and Mrs. Candido DeLeon, Aquadilla, Puerto Rico.
Miss Kathleen Spencer was pianist and Mrs. Billy Turbeville, vocal soloist. Mrs. Turbeville sang "O, Promise Me" and "Whither Thou Goest."

The bride, given in marriage by her father, wore a gown of silk organza over taffeta with full, floor-length skirt ending in a chapel train. The fitted bodice featured short sleeves and round neckline trimmed in lace and seed pearls. There was lace applique on the front of the gown and the train. Her illusion veil was elbow length and her flowers were white orchids.

Miss Hazel Sheppard, sister of the bride, as maid of honor wore a street-length dress of emerald green taffeta and carried a cascade bouquet of white carnations with emerald green net.

The Misses Susan Johnson, Betty Echols, and Joyce Spencer, bridesmaids, wore dresses identical to that of the maid of honor and also carried the same kind of bouquets.

The flower girl, Teryl Echols, was in a floor-length dress of white organza on green taffeta.

Candido DeLeon served as his son's best man. Ushers were Wayne Sears, Willie Veal and Lynn Corbin.

Mrs. Sheppard chose for her daughter's wedding a beige lace dress with beige accessories and a white carnation corsage. Mrs. DeLeon, mother of the bridegroom, wore a toast lace and chiffon dress with brown accessories and also a white carnation corsage.

The bride's parents were hosts at their home at the reception following the ceremony. Assisting were Miss Ella Jean Bigelow of Fort Myers, at the bride's book; Miss Avaline Bostick of Plant City and Miss Patricia Edwards of Quincy, serving at the bride's table; Mrs. Grady Echols and Mrs. L. D. Echols.

The bride, a Pahokee High School graduate, is a junior majoring in elementary education at Florida State University. The bridegroom is a senior at FSU, where he is majoring in dentistry.

Following a wedding trip in Florida, the couple will make their home in Tallahassee while continuing their studies at FSU.

New Film Concern To Start In Miami

MIAMI — A new independent film company, Global Productions, will soon start shooting a movie featuring the Seminole Indians of Florida.

The movie, "Oseola," will have an authentic setting of a Seminole Indian village in Florida's Everglades.

A feature of "Oseola" will be the three Seminole tribes doing for the first time in public their ceremonial rites as well as their tribal social dances. Star of the movie will be Juan Manuel Guerrero who will also star in a later movie depicting the life of Mario Lanza.

Garden Clubs To Open Fall Season

The Pahokee and Canal Point Garden Clubs and the Sod Busters Garden Circle will open the fall season at a joint meeting and covered-dish supper, in Community Building at Canal Point Tuesday, Sept. 20, at 7:30 p. m. Mrs. M. U. Mounts will give the program, "Audubon Bird Prints." Husbands of members will be guests.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

Karl Mindlin New CofC President

Karl N. Mindlin, owner-manager of the Big Lake department store, was elected president of the Pahokee Chamber of Commerce, at a meeting of the executive board in the Civic Building Wednesday night of last week to re-organize for the coming year, with President Doris Sasser presiding. Other officers elected were Robert Fisher, vice-president; C. E. Williams, treasurer; and Luther York, secretary.

Tentative plans were discussed for the annual dinner meeting of the entire chamber membership to be held in October at which time the newly elected officers will be installed.

Read at the meeting was a suggestion by the Okeechobee Chamber of Commerce that the Pahokee chamber and other civic groups in towns on US 441 in the Lake Okeechobee area cooperate in the joint purchase of a large highway sign publicizing US 441 as the scenic route along the eastern shores of Lake Okeechobee. Luther York was appointed to investigate this proposal and report his recommendations at the next meeting.

Youngsters Are At—

are Karen Adams, Becky Barwick, Benny Baxter, Charles Goodson, Rebecca Ann Jackson, Larry Livingston, Shirley Levins, Billy Mackey, Barbara Ann Morris and Carmen Salvatore, III. Some of these plan to enroll in institutions of higher learning at a later date.

Among other young people of the Pahokee-Canal Point area who are continuing their studies at colleges and specialized training schools this fall are Karl Watson, Judy Cunningham, Richard Herdaway, Shirley Kincaid, Jill McIlwain, Willie Veal, and Richard Shackford, Palm Beach Junior College; Judy Platt, Cynthia Frink, Kenneth McIntosh, Wayne Unwin, Jimmy Lee Hoyle and Rupert Mock, Jr., Florida State University.

Jean Brown, Wayne Sears David Simonson and Johnny Guerry, University of Florida; Donald Thompson and Ronnie Hitchcock, The Citadel, Military College of South Carolina; Gene Parnell, Florida Southern College; George McElhenry, Emory University; Neely Johnson, Georgia Institute of Technology; Joan Darden and Susan Young, School of Nursing, Jackson Memorial Hospital, Miami; Donna Davis, Charron-Williams Commercial College, Miami.

New Officers Are Named By 2 Circles

Two of the circles of the Pahokee Baptist Woman's Missionary Union elected new officers at meetings Tuesday.

Members of the Faye Taylor Circle, meeting at the church, elected Mrs. Gene Gore, chairman; Mrs. Edward Culberson, co-chairman; and Mrs. Ray Hawk, secretary. The group voted to donate a book, Phillips' Translation of the Bible, to the church library.

The Grace Jerigan Circle re-elected Mrs. H. C. Graham chairman at the meeting at the home of Mrs. W. M. DuBose. Other officers elected were Miss Jane Plumer, co-chairman; Mrs. Alex Johnson, secretary-treasurer; Mrs. W. M. DuBose, program; Mrs. Wiley Tillis, community missions; Mrs. Mary Hammond, mission study. Mrs. W. M. DuBose presented the devotionals, "God's Beauty and Handiwork." Taking part in the program were Mrs. Frank Thompson, Mrs. R. S. Douthit, Mrs. J. L. Humphrey, Sr., Mrs. Tillis and Miss Plumer. It was announced Mrs. Frank Thompson will be hostess at the October meeting at her home.

B. Elliott has returned to Durham, N. C., for further medical treatment at the Duke Hospital. He was accompanied there by his brother-in-law, G. C. McLarty, of Lake Worth.

Hale & Hearty At 97

MRS. FRANCES MCBRIDE
Alamo, Georgia

Up in Georgia on Rural Route 2 out of Alamo lives a rather remarkable person — Mrs. Frances McBride, who celebrated her 97th birthday anniversary on March 11, 1960, having been born March 11, 1863. Mrs. McBride is the mother of Mrs. A. L. (Jack) Pope of Canal and four other children who are: Mrs. O. C. Roland of Canal Point, Mrs. Abbie Woodward of Stuart, Mrs. Eunice Argo and John C. McBride both of Alamo, Ga.

Mrs. McBride at the age of 97 recently underwent major surgery and came through with flying colors and is well on the mend and the physician, Dr. McRae of McRae, Ga., said she "ought to live many more years." The physician was amazed at the stamina displayed by his patient when she underwent the major operation.

Mrs. McBride is the oldest citizen living in Wheeler County, Georgia. Mrs. Pope just recently returned from Alamo and reports her mother as "doing just fine."

More Info Points—

(continued from page 1)
said the domestic beet and cane sugar industries have been encouraged by recent increases in domestic quotas at the expense of Cuban producers. The 1960 domestic cane sugar marketing quotas regulated by Congress were increased last month to 773,873 tons from 642,573 tons.

He contends that the government "should offer increased quotas and better prices" for domestic sugar. "I hope we never again depend on any foreign country for one-third of our sugar," he added.

Before the recent cut in the Cuban sugar quota, the island country supplied about a third of U. S. needs. Vaughn said Florida cane production could be expanded "10 fold." U. S. Sugar Corp. grows about 80 per cent of all cane in the state.

Instruction To Be—

Secretary of the Florida Congress. "The P.T.A.—A political Force" will deal with the Legislative program and will be given by Henry C. Fox, Miami, Civil Defense Chairman, for the Florida Congress.

The objectives of the School of Instruction are to deepen and clarify the understanding of Parent-Teacher work; to increase knowledge; to inspire the member to turn his potentialities for service into real progress toward better homes, schools and communities; to stimulate him to acquire information and techniques; and to acquaint him with resources to which he can turn for help.

Three or more members of each local unit should attend for the unit to receive State credit.

Mr. and Mrs. Johnny Harper and children have returned from a week's visit with relatives in Georgia.

Hundleys Celebrate 25th Anniversary

Mr. and Mrs. Lloyd Hundley celebrated their 25th wedding anniversary Wednesday of last week with open house at their home, 1251 Bacom Point Rd., from 7 to 10 p. m. when approximately 175 friends called on the couple to offer congratulations.

In the receiving line with Mr. and Mrs. Hundley were their son, John Lloyd, 16. Another son, Wayne Scott, 14, was in charge of the guest book. Mrs. Hundley wore a street-length dress of blue lace over taffeta with blue accessories and a white orchid corsage.

Hostesses for the occasion were Mrs. Edith Cross, Mrs. H. M. McIntosh, Mrs. George Ramey, Mrs. Hugo Boe, Mrs. Leo Maxwell, Mrs. John T. Pickett, Mrs. Robert B. Simonson and Miss Julia Mathis. They presented to Mr. and Mrs. Hundley a beautiful silver coffee service.

The refreshments table, covered with a silver lace cloth, was set with silver service, decorated with arrangements of tinted pink mums and lighted with pink tapers in silver holders. On the coffee table was a beautiful bouquet of sweetheart roses in a compute that once belonged to Mrs. Hundley's grandmother. Mrs. Pickett arranged the decorations.

Mr. and Mrs. Hundley came to Pahokee to make their home immediately following their marriage at Eldorado, Kans., Sept. 7, 1935. In addition to their two living sons, they had another, the eldest, who died at infancy. Mr. Hundley is associated as a partner with the well-known vegetable growing firm of McClure, Hundley and Apelgren.

Joyce Brown was elected worthy advisor of the Pahokee Assembly, Order of Rainbow for Girls, at the first meeting of the fall season held in the Masonic Hall. Other new officers elected were Elizabeth Humphries, worthy associate advisor; Martha Sellers, charity; Betty Rae Gillis, hope, and Glenda Sears, faith.

The installation of the new officers will be held in the Masonic Hall Monday, Sept. 26, at 7:30 p. m. Mrs. Angeles Sears, worthy matron of the Pahokee Chapter, Order of Eastern Star, will serve as installing officer. She will be assisted by Mrs. Marie Hughes, chaplain; Miss Ladora Crosby, marshal; Miss Amy Roell Young, recorder; and Miss Alice Hurt, musician. The public is invited.

Pastor, Wife Honored By Church Groups

The Pahokee First Baptist Church was the scene Tuesday afternoon of a social given by members of the Betty Mills, Faye Taylor and Nina Briggs Circles of the WMU, honoring Mrs. James E. Boyd, wife of the pastor, who is moving with her family to West Palm Beach at the end of this month, and Mrs. E. B. Gamble, retiring president of the WMU. Gifts were presented to both of the honorees. Prior to the social a mission study program was presented by Mrs. J. H. Wilkinson, Jr., and a special offering was tendered for mission work.

Wedding Plans For Miss Delilah Strayer

Plans have been completed for the wedding of Miss Delilah Strayer of Canal Point and Donald Edward McKinnon of Dearborn, Mich., and Belle Glade, which will take place at St. Phillips Church in Belle Glade 3 p. m., Sept. 24, with Father Francis X. French officiating.

The bride's attendants will be her sister, Miss Glorinda Strayer, maid of honor; Miss Tommie Faye Miller and Miss Jane Watson, both of Pahokee, bridesmaids; Brenda Browning, flower girl.

The bride will be given in marriage by her brother, Woodrow Strayer. Kenneth Wayne Henderson of Belle Glade will serve as best man; Donald Wayne Edwards, Pahokee, and Buddy Harold, Bean City, ushers. Mack Wright of Port Mayaca will be ring bearer.

The reception will be at the Pahokee Woman's Club. No invitations are being sent locally, but all friends of the couple are invited to attend.

CARD OF THANKS

We wish to thank the many folks who were so kind and thoughtful during the death of our loved one. We shall always remember these kindnesses.

Rev. O'Steen Speaks At WSCS Meeting

The Rev. T. C. O'Steen, new pastor of the Pahokee First Methodist Church, was guest speaker at the September meeting of the Woman's Society of Christian Service held at the church, with Mrs. Ernest Maxwell, new president, presiding. Introduced by Mrs. Ralph O. Johnson, program chairman of the Mary Martha Circle, he spoke on "The Chart and Compass." Mrs. John L. Hatton gave the devotionals.

The society approved a recommendation by the Rev. O'Steen that every Wednesday be designated as prayer day at the church, the sanctuary to be open on that day with the cross lighted and soft background music playing from 8 a. m. to 8:30 p. m. for all who wish to enter for prayer and meditation.

FIRST FALL MEETING

Girl Scout Troop 38 held its first meeting of the fall season at the Johnson Clinic with Mrs. E. C. Johnson, leader, to discuss activity plans for the coming year. The group voted to meet on Wednesday nights for the next four meetings.

Mrs. Donald Avera is enrolling this week in the School of Nursing at Orange Memorial Hospital, Orlando.
